## Postkarte gestalten und versenden

Hast Du schon einmal eine Postkarte versendet? Überlege, an wen Du deine Postkarte schicken willst. Schreibe einige persönliche Zeilen auf die Rückseite. Daneben schreibst Du die Adresse, an die deine Karte geschickt wird. Vergiss die Briefmarke nicht. Die Vorderseite kannst Du frei gestalten. Frag einen Erwachsenen, ob er Dir helfen kann.

Auf das Feld klebst Du die Briefmarke.

Das ist die Rückseite. Hier ist Platz für Deine Zeilen.

Hier trägst Du die Adresse des Empfängers ein.

Das ist die Vorderseite. Diese kannst Du frei gestalten.

.....

.....

A large, blank template for the back of a postcard. It features a vertical line on the left side, a rectangular box in the top right corner for a stamp, and four horizontal lines below it for an address. A pair of scissors is shown at the bottom right, indicating where to cut.

A large rectangular box divided into two sections by a vertical line. The right section contains a small empty rectangular box at the top and four horizontal lines below it. A dashed vertical line is on the right edge, with a pair of scissors icon positioned to its right.

A second identical large rectangular box divided into two sections by a vertical line. The right section contains a small empty rectangular box at the top and four horizontal lines below it. A dashed vertical line is on the right edge, with a pair of scissors icon positioned to its right.

A rectangular template for a card or envelope. It features a vertical line on the left side, a small rectangular box in the top right corner, and four horizontal lines on the right side. A dashed line and a pair of scissors icon are located at the bottom right corner, indicating a cut line.

A second identical rectangular template for a card or envelope, featuring a vertical line on the left, a small rectangular box in the top right, and four horizontal lines on the right. A dashed line and a pair of scissors icon are located at the bottom right corner, indicating a cut line.
